REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claimed invention with drums surrounded by cooling liquid splash and scatter preventing equipment above a portion of a liquid concentration section is not found in the prior art either singly or in combination. The closest prior art reference is JP 2004-25081 (particularly figures 5-6), submitted by applicants, but published after applicants effective filing date. Other prior art references cited in this application contain one or more features of the claimed invention, but not the necessary motivation, or suggestion to obviate and/or anticipate the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Gravini whose telephone number is 571 272 4875. The examiner can normally be reached on normal weekday business hours (east coast time).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kenneth Rinehart can be reached on 571 272 4881. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
